POPULAR SONOMA COUPLE ANNOUNCE THEIR ENGAGEMENT

Dinner Party Enjoyed By Friends
And Relatives of Miss Flora Benne-
detto and Dan Kennel

At an enjoyable dinner party given at the Valley of the Moon resort, Sonoma Vista, Wednesday night, the engagement of Miss Flora Benedetto and Dan Kennel Jr., was formally announced. A large number of friends and relatives of the popular couple and their families were present and heartily congratulated them. There was a delicious chicken-ravioli dinner served and later dancing to the Perkins orchestra wound up the festivities.

Miss Benedetto, the bride to be is the eldest daughter of Mr. and Mrs. John Benedetto of Boyes Springs and is a popular girl of the Springs section.

Ian Kennel Jr. is the son of Mr. and Mrs. Dan Kennel, pioneer and well-to-do residents of Sonoma Valley. The young man presented his bride to be with a beautiful diamond and platinum engagement ring during the dinner.

After dinner, in addition to dancing there were songs and entertainment, Mrs. Louise Cattino singing both in English and Italian.

The wedding of Miss Benedetto and her fiancé will take place late this summer and be followed by a trip to New York.

N. S. G. W. DID GOOD WORK SUNDAY

Bear Flag Monument Grounds Are
Improved. Native Daughters En-
tertain Workers at Fine Dinner.

Last Sunday was a gala day among the Native Sons and Native Daughters of Sonoma for the stalwart natives gathered on the plaza and started the good work of beautifying the grounds surrounding the Bear Flag monument. Five auto trucks, which had been loaned for the occasion hauled rich loam to fill in the area to be planted to lawn and dirt fairly flew as the boys got busy with their shovels and other implements. About one acre had been laid off on the north east corner of the plaza and the land was leveled, preparatory to planting blue grass seed which has been donated by City Trustee E. T. Lindley.

Promptly at noon time, the Native Sons were invited to the "lunch" which the hospitable and thoughtful Native Daughters had provided at the Womans clubhouse. When the procession of tired but happy plaza workers arrived at the clubhouse, they found tables set out of doors under the pergola with an elaborate hot dinner of several courses which had been prepared under the skillful direction of Mrs. Rose Bartoli and eighteen assistants. The menu consisted of crab, shrimp and potato salad, roast meats, spaghetti Italian style, creamed green peas, home made cakes, ice cream and coffee. After regaling themselves with this excellent repast and being invited back for supper, the natives returned to the Plaza and put in several more hours of good work.

The committees of both Parlor were highly pleased with the success of the day and desire to thank all those who loaned trucks and otherwise contributed to the success of the beautification preliminaries.

The Native Daughters return thanks to L. F. Lambert who donated ice cream for the dinner and to the Womans Club for the use of the clubhouse.

A 479 MILE AUTO TRIP

Vic Leveroni, A. Maffei, H. Thompson, F. Sprague, T. Cereghino and O. Maffei drove to Redding and back last Sunday, a distance of 479 miles. On the way they fell into the clutches of a speed cop. The trip was made in Maffei's Nash.

Boyes Arrests G. E. Austin and Sal Carlo

G. E. Austin of Main's Corner at Verano Pays Fine. Sheriff also Raids Sal Carlo.

The arrest Saturday last of G. E. Austin who conducts a road house on the Jack Main corner at Verano and the finding of wet goods on the premises for the second time within a few weeks has led to talk of abatement proceedings against the resort. Deputy Sheriff Ryan, who aided Sheriff Boyes and other deputies when they descended upon the place, says the second offense makes the sheriff favorable to the instituting of abatement proceedings and District Attorney Hoyle may be urged to close the resort for a year.

Austin paid a fine of \$300 imposed by Judge Small after the raid.

The Sheriff's squad tried Saturday to "knock over" several resorts without success and finally came to Sal Carlo's place where some evidence was secured. Carlo, upon pleading guilty, paid a fine of \$250.

THE GOLF CLUB DUES WILL NOT BE RAISED

The magnificent new Mission Inn which is to rise on the site of the present golf links which will be enlarged and made one of the finest courses in America, will not effect the dues of the Valley of the Moon Golf Club, so President Speas writes. Despite the big project which will bring a high class of tourist trade to Sonoma Valley, the Golf Club is to be continued with fee to join of \$100 for men and \$50 for lady members. Dues will continue at \$4 per month for gentlemen and \$2 for ladies. Mr. Speas says, "Members of the club should promptly pay their dues and encourage their friends to join because the Golf Club will be maintained as a separate organization and will be made distinctive with the inauguration of the hotel service. The proposed improvements and construction work on the property of the hotel company will be made without assessment to club members."

It is reported that work on the big Mission style hotel will start about July first. The golf links will be made an 18 hole course.

JUDGE SMALL NO LONGER CITY RECORDER

Judge Lester Small, formerly city recorder of Sonoma, found himself in the unique position of being a possible defendant in his own court, so he resigned his recorder's job.

Recently attorneys were subjected to the business tax provided by the City Trustees. Small, who is a practicing attorney, refused to pay and intimated that he would make a test case of it. As such a case would come before the recorder, Judge Small decided that he could not qualify and therefore resigned.

PICTURES OF SONOMA ARE IN DEMAND

Exclusive picture rights for taking pictures on the old Vallejo home and selling them has been granted the Bear Film Company of San Francisco by the Emparans, who will get a percentage from the sales. The picture people have erected a large sign, General Vallejo's Home, over the entrance to the place.

This film company has been producing many pictures in and about Sonoma. Flashlights of the costume ball were taken last Saturday night. L. F. Lambert has many of the company's pictures of Sonoma events and is selling them.

D. Colli's accredited hatchery has closed a most successful season. 16,000 baby chicks were hatched from Colli's own stock, with hatches 75 to 87 per cent successful. Mr. Colli could have sold 50,000 chicks if he had hatched that many.

The dairymen of Sonoma will be greatly interested in knowing of the coming visit of Prof. W. M. Regan who was recently attached to the Staff of the Dairy Division of the University Farm at Davis. Professor Regan will present for the benefit of the dairymen the latest information on dairy cattle feeding.

FETTERS HOTEL IS WELL PATRONIZED

Many auto parties stopped at Feters Springs Hotel for a swim and dinner last Sunday. The dining room under Carl Zuckerman, steward for George Feters, is excellent this season. Many improvements have been made at the bath house.

The theatre is now under lease to Charles Scaler and is known as Scalers Dancing Pavilion. Motion pictures will be shown nightly.

Resident of El Verano Died at His Home

Charles Baines, of a Prominent Family Succumbs To Chronic Ailment And Was Buried Monday.

Charles Baines, member of the well known Baines family of El Verano, passed away at his home in that place last Saturday after illness of some months duration. He was afflicted with a chronic ailment and despite the best medical attention, gradually became worse until death claimed him.

Mr. Baines was the husband of Margaret Baines and father of Hazel and Arthur Baines. He was a native of England, 59 years of age and was the son of the late Sarah Baines, a beloved former resident of Sonoma Valley. One sister, Mrs. Eleanor Flannagan, and four brothers, James Thomas, George and Harry Baines survive deceased.

The funeral was held Monday last and was largely attended by friends and relatives. Interment was in Mountain Cemetery.

He denies the sale to a supposed federal agent and declares he is not worried over any accusations sprung on him. Mr. Sebastiani is leaving this week for a business trip to New York.

EL VERANO NEWS

By ARCHIBALD McKIVER

The evening S. P. train, beginning Saturday, May 6th, will arrive at El Verano at 6:15 p. m., instead of 7:15 as heretofore.

Colonel Robert Poppe and Mrs. J. Small of Sonoma passed through El Verano Sunday morning enroute to Sacramento. Mrs. H. Burnester and son were also passengers on the same train for Oakland.

News was received here that William Ashe, former native of these parts, has been promoted to the position of chief of the Los Angeles secret service bureau. Ashe has been serving as a secret service officer in San Francisco and his record has been one of highest efficiency. Ashe left San Francisco Sunday to take up his duties in the southern city. His many friends, including the writer, wish to congratulate him on his new position.

George Baines and family of Colma were here this week to attend the funeral of Charles Baines.

Jimmy Acquistapace, Agua Caliente, Beau Brummel, was a prominent visitor here recently.

Frank Bayol was a visitor Sunday from San Francisco. He will return shortly and enter the jitney game in Sonoma Valley.

George Walker, formerly well known throughout Sonoma Valley, committed suicide by taking carbolic acid last Friday at Vallejo, where he was employed in an orchestra. Walker spent several seasons around El Verano and was a quiet fellow. His many friends regret his sad ending. Walker was a member of the Musicians' Union and, as far as was known, had no relatives. He was a crack drummer and served 10 years as a musician in the U. S. Navy. He was 42 years of age, and single. The funeral was held in Vallejo.

Miss Elsie Ammann, after a pleasant visit with home folks, left Saturday for San Francisco, and from there she will go to Winnemucca, Nevada, to resume her work as telegraph operator for the Western Union Company.

Louis Martin, Vineburg booster and hotel man, accompanied by our live supervisor, Fred Lowell, were visitors in our city the latter part of last week.

Tuesday, May 1, at midnight, will close the Ford auto contest of the Boyes Springs carnival. Pat McDonald, old, foreman of the Spreckels ranch, has made a spirited contest against all other contenders and at present it looks as though he will be the winner. McDonald, one might say, is a native of El Verano, having, like a number of other great men made his start from no other place than El Verano. Friends and life long pals of the superintendent of the famous Spreckels ranch are out to pull him over with one of the greatest votes ever cast at a contest of this kind and Archie McKiver, who has been Pat's friend for many years, predicts a sweeping victory for our former townsman and hopes the next time Pat hits our city he will be at the wheel of the new prize Ford.

Perry DeRose, social favorite, made another start at Stockton last week, his opponent being Tommy Azevito. Our boxer was knocked down for the count of six in the first spasm, getting to his feet as the gong rang. In the second round the terrible Mexican continued to abuse our boy, badly mauling his beauty. The third round was also a bad one for Perry, but in the fourth DeRose pulled himself to-

gether, and, swinging with every ounce of strength left in him, caught the Stockton boy on the chin and sent him to dreamland for the count. Perry is back in town, with his good looks considerably marred, but otherwise he is all right.

Jack Watt, one of the good old time boys who spent his boyhood in Sonoma, was a recent welcome business visitor here. Jack is now a Santa Rosan, representing the famous Tacoma Brewing Company and during the summer months will be in the Sonoma Valley peddling the nearest to a real drink on earth today. His many Sonoma Valley friends are always glad to see Jack who tells the writer that business is good in the line he handles and he is always happy to come to the Valley of the Moon and meet old time friends.

Mrs. H. Koerner has been visiting in San Francisco and Modesto.

Mrs. J. Donahue and family are vacationing in one of Mouyer's summer cottages at Verano.

P. H. McCarthy, former San Francisco mayor, accompanied by his family, were week end visitors at the McCarthy mansion in Sonoma Vista.

Mr. and Mrs. George Fredrickson, Miss Anna Ryan and Mrs. M. Ryan were recent El Verano visitors from San Francisco.

Charles Birdsall, known as White Hat McCarthy, has been in El Verano on his monthly visit. Our esteemed friend is registered at the French Cottage and is enjoying his visit here.

Mrs. H. Craib was an El Verano passenger for San Francisco Tuesday.

Mrs. J. Z. Hoffman has been visiting in Vallejo.

Buck Holley, sports promoter, was in town Sunday all slicked up like a regular guy. He says the fight game is good down in Stockton city.

Last Friday two feeble minded youths escaped from the Eldridge institution and after beating their way through the wooded section of the western foothills, arrived at the ranch house of A. L. Gale, which they entered and ransacked in a thorough manner, not omitting a single place where valuables might be hidden. For their trouble they got about \$4. several pieces of clothing and a box of cigars. Had not the spring on Mr. Gale's car broke, he would have arrived home in time to catch the house breakers at their work. Several of the neighbors saw the boys making their getaway. Mr. Gale, noticing the state home mark on clothing left behind by the boys, immediately notified the officials who sent out several guards to capture the runaways. They were later captured by a rancher near Petaluma, one of them putting up a fight and blacking his captor's eye. The boys were returned to the state home where, we hope, they will be confined so as not to bother the public in the future.

Napa vs. Boyes Springs at the Boyes Springs ball park Sunday was an interesting ball game. For seven innings the score was tied, after which the boys went to pieces and both

teams scored during the last two innings. This was the opening game of the season. Pete Boccoli pitched the first half and his work on the mound was good. Fred Schell relieved him and his twirling was much better than is usually seen in bush league games and with more work this boy will be heard of in league base ball. Dr. Davis of San Francisco umpired the game while Fred Hansen held the bases in that capacity. A large crowd was present and the score was 11 to 7 in favor of Boyes Springs. Next Sunday the boys are signed up to play the American Can Co. on the Boyes Springs grounds. It should be a benefit for the Fire Department.

W. Wohlson of Sonoma Vista is driving a new Ford car.

E. J. Pollar and wife, formerly of the Verano Inn, have gone to San Francisco to make their home.

Mrs. J. Staudinger and daughter are in San Francisco for a several days visit.

Bill Sutter, after a several weeks' vacation with Sonoma Valley relatives, has returned to his duties at the Presidio, San Francisco.

John Quadrio is in San Francisco, report says, very sick. His many friends here miss him from his daily visit around town.

A. Swensen retired from Uncle Sam's Navy, has just received a 'arge flag pole which he will place in front

of his home in El Verano, from which Old Glory will be unfurled.

OPENING OF NORDWELL AVENUE FAMILY RESORT

The attractive Nordwell Avenue resort in Sonoma Vista, which has been nicely improved and enlarged since its purchase by Mr. and Mrs. Joe English, will have its opening tomorrow. A large number of guests have made reservations for the fine chicken dinner which will be a feature of the noonday meal.

Mr. and Mrs. English are hospitable folks and no doubt will have a big crowd throughout the summer at their pretty cottages.

THAT SCHELLVILLE-SANTA ROSA HIGHWAY

A number of public spirited citizens of Sonoma Valley who are desirous of seeing the State highway building between Schellville and Santa Rosa expedited have continually neglected their own business and put their hands in their own pockets for expense money in order to follow up every suggestion from headquarters that would clear the way for and hasten the day of the letting of the contract by the State Highway Commission for this road. The Supervisors have given excellent co-operation and we believe the united effort to date should soon bear fruit.

The letting of the contract for the Schellville-Santa Rosa road by the State Highway Commission will settle all skepticism as to the building of this important lateral for we will then know that the Highway Commission has money available for the purpose and means to put it through.

Sonoma Valley at the present time is completely cut off from Santa Rosa, the county seat, and unless State work is started in the near future, another year may slip by with nothing done on this road which was originally provided for in the State bond issue of several years ago but is still hanging fire.

With the recent changes in the personnel of the Highway Commission, Sonoma Valley felt assured

that the belated piece of highway would be built and at once hastened to comply with every suggested preliminary. We are now asking action and trust that the Commissioners will call or bids and show Sonoma Valley that they mean business.

Over the advice of the State Board of Control, Governor Richardson and Director of Institutions Two-good and the people of California, who, at the last election went on record for economy and efficiency, the State Assembly has voted favorably on allowing \$195,000 to the Farm for Delinquent Women at Buena Vista. Club women with sob sister pleas and threats of political vengeance should Assemblymen turn them down, won the votes commending the expenditure of State funds on a social experiment which has failed utterly as a reformatory institution and is a joke as a prison farm.

It would be a terrible thing for the great State of California were some of these solons of the lower house retired to private life because they failed to take program from the ladies to support the Delinquent Women's Seminary, but not half the catastrophe if they were to remain to thwart the will of the people and officials who know whereof they speak when they advocate the abolition of the institution at Buena Vista.

THE NEW HIGHWAY

Upon instruction from headquarters the local committee on preliminaries in the Schellville-Santa Rosa state highway are out this week getting affidavits from property owners to permit immediate construction and entrance upon property to be traversed by the new road. The object is to protect the state from any legal interference upon the starting of work. It is promised that the contract will be let for construction as soon as the signatures have been secured.

COSTUMES FOR MISSION CENTENNIAL ON DISPLAY

Celebration Director Jack N. Reid has just returned from San Francisco and Sacramento, where he has taken up different matters of importance to the Mission celebration.

Joseph O'Connor has been secured as publicity director and has already written a number of interesting stories relative to the Mission play and to the celebration in general. Mr. O'Connor is very anxious to have in his possession pictures of local people taken in costumes with a background of our historical buildings. Mr. Reid has a number of costumes of different types in his office and will be very glad to have the local people call and view the same, as it will give them a fairly good idea of the patterns and materials that can be put together very cheaply and can be made with little effort.

Mrs. Gertrude Groskopf, secretary to Director Reid, will be glad to go into the matter of costumes with any of the ladies desiring to all at the office in the city hall, between the hours of 2 and 4 in the afternoon, or in an interview can be had at any time with Mrs. T. G. Hollabaugh, chairman of the Costumes and Customs Committee, or any of the following members of the committee: Mesdames Perle Hunter, Ralph Hotz, F. Rovai, E. T. Casson, May Chase, Kate Buchan, E. Steiger, W. Paulson, Frank Edrington, E. Bartoli, and J. Picetti.

The Doctor Was Right

When the good old family doctor was asked about baking powders, he said:

"Use Royal. It is made from Cream of Tartar and is absolutely pure. You could dissolve a couple of teaspoons of Royal in water and drink it with benefit. That's a health test mighty few baking powders can meet."

The doctor was right.

"It's going to look Wonderful, I know!"

IS THE FLOOR SCRATCHED, are the stair-treads worn? Have small careless feet scuffed the baseboard? Take a little time and freshen it all up now! You'll enjoy its improved appearance, ever so much! And isn't there a fascination in wielding a paint brush!

For kitchen, bathroom and closet floors, use Fuller's Rubber Cement Floor Paint. It comes in 14 shades and covers solidly in one coat. Fuller Floor Wax lends a high polish to hardwood floors. Natural wood floors are protected by a coating—clear, transparent and durable—of "15 for Floors" Varnish.

CHANGES MADE ON CELEBRATION COMMITTEE

At the Mission Centennial executive committee meeting last week a number of changes were made on the various committees. George Crowe was named chairman of the pageant committee, Ralph Hotz being unable to serve in that capacity. As Mr. Crowe has taken part in several Garnet Holme productions at Mt. Tamalpais and Carmel and personally knows Mr. Holme, the choice was well made.

J. H. Walton was named on the executive committee, Ed Peterson on decorating, Mrs. T. G. Hollabaugh on costumes and customs and Supervisor Lowell and Chief Cause honorary members of the reception committee.

The Friars' chorus under Meryl Bish has been organized and will be a feature of booster trips to be taken by the committee to make known the Centennial between now and the end of June.

A DAIRY CHANGE

Mr. W. J. Heinz has sold him Mountain Dairy and gone to San Francisco to live. Mr. Heinz was a clean cut competitor, the kind we like, and his patrons all tell us that he sold them good, clean milk, and treated them right in every way. Honestly we are sorry to see a man like Mr. Heinz leave Sonoma Valley.

LAST RITES FOR LATE MRS. C. MILLERICK

Scores of prominent Sonoma people who filled many autos, followed the remains of the late Mrs. Catherine Millerick, beloved Sonoma Valley pioneer and widow of the late M. J. Millerick from the Bates funeral parlors to Petaluma Saturday, the unusually large cortege reaching St. Vincent's church at 10:45.

The church was crowded with relatives and friends when the solemn requiem high mass was celebrated by Rev. Father Byrne of Sonoma, assisted by Rev. Father Crowley of St. Vincent's and a pastor from San Francisco, the full choir assisting.

H. F. Bates of Sonoma conducted the funeral, assisted by John Mount in this city and the pallbearers were W. Millerick, Edward Millerick, W. Kenney, Charles Tracy, Joseph Redding and Theodore Keiser. Fully 100 people accompanied the casket from Sonoma.—Petaluma Argus.

CARD OF THANKS

In behalf of the Boyes Springs and Valley Fire Department I wish to thank all of those who helped to make the queen contest a success and wish to commend Captain Louis Martin of Vineburg and Mr. Chambers of Boyes Springs for the grand support they gave their respective candidates. I also hope that no one took any offense at uncouth remarks made during night that we were not responsible for and that we did not approve.

THE UNIVERSAL CAR

ANNOUNCEMENT

.. Of Interest To ..

MILLIONS OF FAMILIES

"I will build a car for the multitude", said Henry Ford in 1903. Read how the fulfillment of that prophesy is now made possible through the

Ford Weekly Purchase Plan

For many years it has been Henry Ford's personal ambition to make the Ford the universal family car—to put it within the reach of the millions of people who have never been privileged to enjoy owning a motor car. During the past fifteen years over 7,500,000 Ford cars have been placed in the hands of retail customers—more than a million and a half of them within the past twelve months—and yet there are millions of families who are hopefully looking forward to the day when they can own a Ford.

And now the way is open. Under the terms of this plan you can select your Ford car, set aside a small

amount each week and you will be surprised how soon you will own it. In the meantime your money will be safely deposited to your credit in one of the local banks where it will draw interest.

Think it over. Five dollars will start an account. The whole family can participate in it—father, mother, brothers and sisters each doing a little.

Why not start today? Stop in and talk it over with your local Ford dealer. He will be glad to explain the details of the plan and help you to get started toward the ownership of a Ford car.

"GYPSY ROVER"

SPLENDID SUCCESS

The presentation of the Gypsy Rover at the High School Friday night of last week proved a financial and artistic success. Six hundred and fifty people crowded the auditorium and applauded the tuneful operetta. The settings and scenery, the light-

ing effects and costumes were a decided credit to the school.

The principals in the cast showed considerable talent, the leading lady, Miss Arrieola, having all the poise of a professional, supplemented by natural beauty. Spencer Merz was a handsome and dashing gypsy lover and the comedy parts played by Co-

hen, Rouque and Willard Cole were well done. Kennon Gilbert, Anita Camp, Alta Weaver, Harold Bosserman, Louis Steiman and others were well cast.

The choruses showed excellent training, the harmony was perfect and with the orchestra, directed by Lyle Campbell, won signal honors for the school.

ADVISORY BOARD OF CENTRAL COMMERCIAL BANK

The Central Commercial and Savings Bank, Sonoma Valley branch has named its local advisory committee as follows: E. T. Lindley, A. Maffei, A. W. Adler, Chas LaTorres, Victor Leveroni, U. J. Martinelli and Ralph E. Murphy. All these gentlemen are successful and substantial business men and farmers of this section and Manager Hollabaugh feels that they will be invaluable in advancing the interests of the bank and its cooperation with community advancement and prosperity.

DODGE BROTHERS TYPE-A SEDAN

Its dependability is taken for granted—its economy of operation is proverbial.

Comment, as a rule, is directed to the richness of its fittings, and the dignified beauty of its coach work.

This beauty is not a superficial thing. It goes much deeper than mere external adornments.

Like all creations of genuine excellence, it emanates from the honest value which Dodge Brothers have built into the car.

You sense it in the depth and comfort of the seats—richly upholstered in genuine mohair velvet. It makes itself known the instant you close the doors—which snap solidly shut, like the doors of a safe. It emanates unmistakably from every line and curve of the sturdy body.

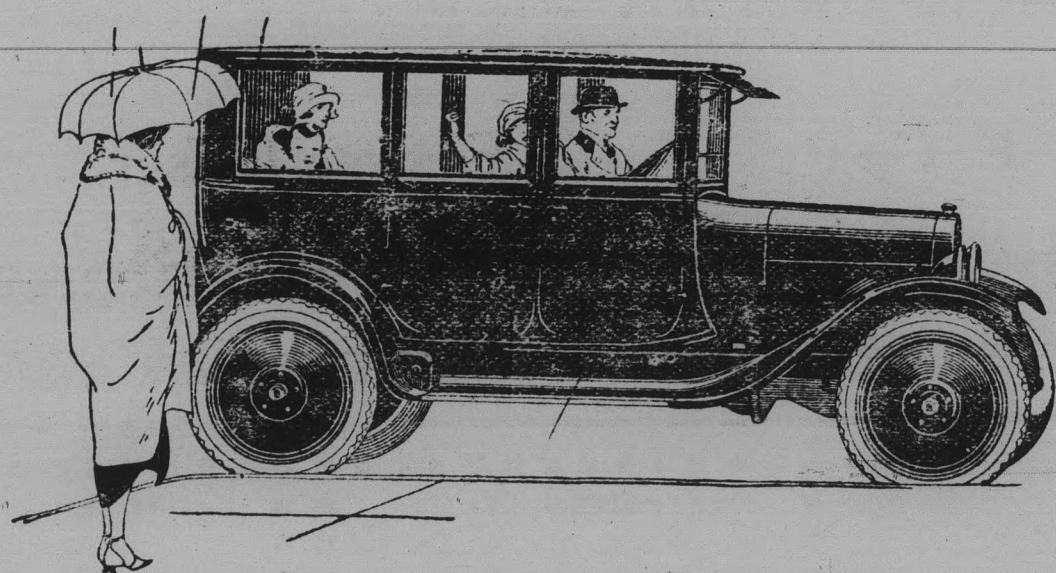

It becomes most evident when you discover that in smart company, where a car of less distinction would appear at its worst, Dodge Brothers Type-A Sedan appears at its best.

by 220%

On a busy street corner in San Diego, a checker stood and asked the first hundred motorists that passed: "What gasoline do you use, and why?" 52 of them answered "Red Crown," as against 16 for the brand showing the next highest preference—a lead of 220%.

Not only in San Diego, but throughout the Pacific Coast field, Red Crown is the popular gasoline, because it vaporizes completely, burns cleanly, and is uniform always and everywhere.
